**RE: 2022 South Florida Fair**

Every January since 1912, over a half million visitors enjoy 17 fun filled days at the South Florida Fair, one of Florida's oldest and largest community events. Fairgoers are entertained by first class stage shows, live concert performances, sensational midway rides, unique shopping and the best fair food. The 2022 annual Fair- January 14-30 – will feature “Rockin’ Robots” as the themed exposition.

As part of the Exposition, the school art project will be the shape of a Robot.

Each participating school will be provided with the shape to decorate for display at the Fair. Please decorate both sides and decorate with a **lightweight** material when possible as the projects will be displayed from the ceiling in the main exposition center for the 17 days of the Fair. Each project will be displayed so the visitor can easily see the details of your work.

Winning projects will be selected by a panel of judges. Each category – elementary, middle and high school – will be awarded a 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> place cash award. An overall “Best of Show” cash award will also be selected by a panel of judges during the Fair.
